## FOR YOUR LIPS

IDUN Minerals offers a wide range of lip products, from glossy and sheer to matte and highly pigmented. No matter which product you choose, they all nourish and moisturize the lips giving a soft, comfortable feeling.

### MATTE LIPSTICK

Long-wearing, full-coverage, lipstick with a matte finish. Enriched with nourishing Nordic cloudberry oil and vitamin E.

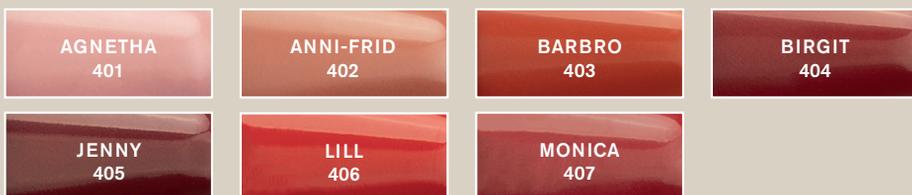

### CREME LIPSTICK

Moisturizing semi-transparent lipstick with a shimmery finish. Contains nourishing Nordic cloudberry oil, shea butter and vitamin E.

### LIP CRAYON

A hybrid between lipstick and lipliner. The creamy formula with intense colour and long-lasting result contains nourishing Nordic cloudberry oil and vitamin E.

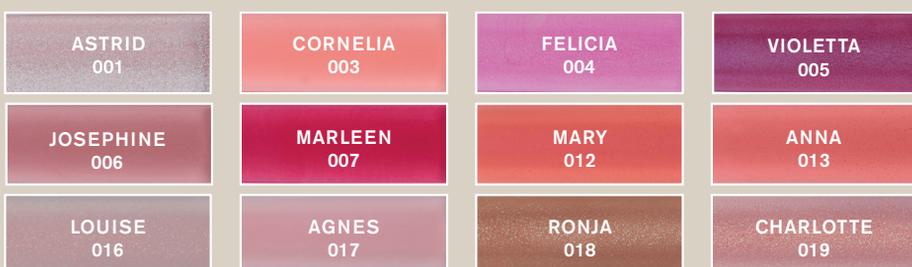

### LIPLINERS

Creamy formula with intense matte colour and long-lasting result enriched with caring jojoba oil. Features a built-in sharpener and lip paddle for a defined or blended finish.

### LIPGLOSS

Silky smooth and lustrous lipgloss. Enriched with nourishing Nordic cloudberry oil and vitamin E.

## POWDER

IDUN Minerals powder products are available in transparent, opaque and luminous finishes. Perfect for touch-ups. The light feel formulas allow the skin to breathe and are developed to suit all skin types.

### 2-IN-1 PRESSED POWDER & FOUNDATION

Used both as a foundation and fixing powder. The accompanying sponge features two sides that allow for a light / fixing or medium / covering result.
